Enhancing the rate of commission to mun. Shanbhogas for collection of Mohalariya taxes in Chikballapur Municipality

Proposal for

Enhancement of rate of Commission paid to the Municipal Shanbhogs for the Collection of Mohatarfa Taxes in Chickballapur Mncplty

From the D C Kolar District
No A5 L B 318/46-47 dated 30-7-47
Requests to reconsider the previous orders of Govt & to obtain sanction to the resolution of the Chickballapur municipal council for raising the commission paid to the Shanbhogs from 5% to 7% in the mncplty with effect from 46-47 as a special case

1 In Chickballapur Town mncplty there are three Shanbhogs for the collection of Mahatarfa taxes they are being paid a commission of 5% on the actual collections made by them

2 It is stated that the average annual demand under mohatarfa taxes is about Rs 15,000/- and the commission paid to the ~~Shanbhogs will be about Rs 15,000/- and the commission paid to~~ the Shanbhogs will be about Rs 750/-

3 The Shanbhogs have been repeatedly praying for enhancement of the scale of remuneration from 5% to 7% on the ground that the commission paid to them is very low and it is not sufficient to maintain their families, especially at a time when prices of essential articles of food stuffs and cloth are ruling rocket high

4 The Chickballapur Town mncpl council, after paying careful attention to the question had resolved that the rate of commission may be raised to 7% the D C's recommendation to sanction the resolution of the mncpl council was not accepted by Govt vide G O No L 3158 mncpl 4-44-12 dated 10-10-44 as no case was made out for the proposed enhancement, as also 7% allowance is not granted in any other mncplty

5 A subsequent letter from the D C to reconsider the orders of Govt dated 10-10-44, was ~~sent~~ vetoed ~~the proposal~~, as there were no good grounds to reconsider the orders already passed, as also, it was considered it would set up an inconvenient precedent to allow such increase, vide this office letter no L 2846/mj-4-45-24 dated 3-10-45 | Flag W

6 The municipal council have again considered the prayer of these low paid employees and resolved on 31-1 47, that the rate of Commission paid to the three shanbhogs be raised from 5% to 7½% for the reasons that the (i) cost of living is high at this time (ii) the collection of taxes was very satisfactory leaving no arrears for 1945-46, (iii) the concession has been shown in other mills the extra expenditure on account of the enhancement being met from out of the closing balance of the mills for 46-47.

7 The extra cost involved would be about Rs 300/-

8. The D C states that the work of these shanbhogs has been exceptionally good throughout and they have been collecting the entire arrear taxes demand without leaving any arrears show good work merits favourable consideration

9 If whole time establishment is entertained in the mills for the collection of arrear taxes it would cost Rs 1316/- inclusive of D A, as two bill collectors on Rs 25/- each P m and two peons on Rs 10/- each P m would be the minimum establishment that will have to be entertained for collection work But the ~~collector~~ Commissio

payable to the existing Shanbhogs at 70% worked up to Rs. 1,050/- which is less than that of the newly established by 266/-

10) It is stated that the pay of Shanbhogs and patels in the Revenue Dept has been raised by 25%

11) In the circumstances, the D.C. requests, to reconsider the previous orders of Govt and to sanction the resolution of the council for raising the commission paid to the Shanbhogs from 5% to 7% in the taluq from 1946-47, as a special case, the extra cost being met from the closing balance for the year 1946-47 and also from the provision that will be made in the budget estimates of the taluq for 47-48

12) The D.C. states that the work of the Shanbhog is really very creditable, their collection being cent per cent. The increased rate of commission will fetch each shanbhog about Rs 29/- p.m which is not more than what is paid to an ordinary clerk in the Revenue Department

13) Submitted for orders with previous refs

This is the third time that a recommendation is made by the DC requesting for a reconsideration of the orders passed by Govt in the matter. He requests that as a special case the commission paid to the Shanbhogs in Chikballapur three taluqs may be raised from 5% to 7%

Subject:- Enhancement of rate of commission paid to the Municipal Shanbhogs for the collection of Mohatarfa taxes in Chickballapur Municipality.

I have the honour to state that for the collection of mohatarfa taxes in Chickballapur Town Municipality three shanbhogs have been appointed and they are being paid a commission of 5% on the actual collections made by them. The average annual demand under mohatarfa taxes is about Rs 15000/-, and the commissions paid to the Shanbhogs will be about Rs 750/-. The Shanbhogs have been repeatedly praying for enhancement of the scale of remuneration from 5% to 7% on the ground that the commissions paid to them is very low and it is not sufficient to maintain their families, especially at a time when prices of essential articles of food stuffs and cloth are ruling rocket high. The Municipal Council after paying careful attention to the question had resolved that the rate of commission may be raised to 7%. In pursuance of this a recommendation was made in this office letter No. A5 C 363/44-45 dated 7/8/44 for sanctioning the resolution of the Council. But, Government were pleased to state in their order No. L.3150-I 1 4-44-12 dated 10th October 1944 that the proposal was not acceptable to Government. A recommendation made for the reconsideration of the orders of Government was turned down by Government in their Order No. I.2846-I 1 4-45-23 dated 3rd October 1945.

The Municipal Council have again considered the prayer of these low paid employees and they have resolved on 31/1/47 that the rate of commission paid may be raised to 7% from the year 1946-47 the extra cost of about Rs 300/- involved by this revision being met from the closing balance of the Council. I may add that the work of these Shanbhogs has been exceptionally good all-through-out and they have been collecting the entire mohatarfa demand without leaving any arrears. Their good works merits favourable consideration. The demand, collection, and Balance statements for

for the years 1945-46 and 46-47 enclosed in the records may kindly be perused If wholetime establishment s entertained in this Municipality for the collection of Mohatarfa taxes, it would cost Rs 1316 inclusive of D A , as two Bill Collectors on Rs 25/- each and two peons on Rs 10/- each per month would be the minimum establishment that will have to be entertained for collection work. The commission payable at 7% however works up to Rs 1050/- which is very much less than the amount that will have to be spent on a regular establishment The posts of Shanbhogs and Patels in the Revenue Department has been raised by 25% ~~as had happened~~ of the municipal shanbhogs deserve ~~their selves~~ The prayer ~~is~~ for sympathetic consideration their hard work deserves recognition by Government.

In the circumstances, I request you to kindly reconsider the previous Orders of Government and to obtain sanction of Government to the resolution of the Council for raising the commission paid to the Shanbhogs from 5% to 7% in Chickballapur Municipality with effect from 1946-47 as a special case, the extra cost being met from the closing balance for the year 1946-47 and also from the provision that will be made in the Budget estimates for the year 1947-48 onwards. The work of the shanbhogs is really very creditable, their collection being cent per cent The increased rate of commission will fetch each Shanbhog about Rs 29/- per month, which is not more than what is paid to an ordinary clerk in the Revenue Department

The prayer of the Municipal Shanbhogs and the resolution thereon are for favourable consideration of Government and sanction.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
